## WHY SCOUTING?

*"Scout Parents are engaged with their children—not just cheering from the sidelines."* — Cindy B., Scout Mom

Because a boy's or girl's childhood is short, Scouting offers a family the opportunity to actively share in his development into a successful adult.

## HOW DOES CUB SCOUTING WORK?

*"My son has already had so many experiences I wouldn't have imagined. Scouting really has opened up his world."*  
— Jerry M., Scout Dad

Cub Scout activities include team building games, sports, hands-on projects, education S.T.E.M. activities, and camping adventures. These activities help a child learn valuable life lessons as he matures. The scouts meet 3 to 4 times a month with a flexible schedule and are grouped by grade.

## WHO WILL LEAD MY SCOUT?

*"Being a leader is so much fun. I get to spend more time with my son while helping all of the boys in my den grow."*  
— Maria E., Den Leader

The Cub Scout program is led by a group of parents just like you! All parents are actively involved in supporting and developing their sons. Some parents are direct leaders, while others take support roles, but everyone gets involved! You may be asked to help by serving as a leader, don't let that scare you! There are over 10,000 registered adult Scout leaders in Orange County who are happy to help make sure you have an exciting experience.

## FUN WITH A PURPOSE

*"I like having fun with my friends and the activities we do together."* — Morgan T., Cub Scout

Boys join Scouting because it is fun. Parents love it because of how it benefits their son and the time they get to spend with him. Scouting teaches leadership and character. It builds confidence and social skills. It teaches the value of service and citizenship. And it brings a family closer together.

## QUESTIONS?

It's a family thing!
